

History of B.A.C.T.

B.A.C.T. started in 1999 in response to a need for regular transport to include rural villages of East Sussex and provide transport for all.

BACT began with regular daily timetabled services daily all day, from villages as far apart as Burwash and Ticehurst to Ashburnham and Westfield.

Buses run on Mondays, Tuesdays, Wednesdays and Fridays from Battle to outlying villages around Rother. We operate a return service for essential services; shopping, banking and all timetabled services passengers can use Concessionary Bus Passes.

BACT was awarded the Queens Award for Voluntary Service 2008. This is a great achievement especially with volunteers, which we always appreciate and need!!
